Dear friends. We will be glad to welcome You on our International competition of art Caspi Art Sanat, which will take place in the halls and on stage of amazing 5 star hotel, one of the best in region, on the shore of the Mediterranean Sea in the south-east of Turkey. We are sure that a perfect blend of competition, rest and communication will leave only positive emotions the contestants and the accompanying persons.

The International Competition opens new artistic horizons for many, provides an incentive to create, act, amaze. Most of all, competition bridges the generations, professional experience and young's desire to reach pinnacle of art.

The idea of International competition - is opportunity for artistic teams and solo performers and participants to demonstrate their creative abilities.

The International Competition opens new artistic horizons for talented people.

Our International competition is public event organized on a broad democratic platform, so to participate in it are invited solo performers, artistic collectives of children's music school, children's artistic classes, colleges and gymnasiums or art, houses and centres of children's and folk art, students, unprofessional and professional performers, amateur talent performers, choirs, orchestras, ensembles, music and fine art schools, conservatories, music and fine art academies, students, also other educational institutions representing all types and genres of artistic creation presented in the condition of our competition. Teachers and professional artists can take participate in competition. The competition applies qualification principle of evaluating competition program not competitive, taking into account the age of the participants. Each participant is free in repertoire choosing for competition. Competition's participants can performance work in music genre by notes or by rote.

Objective of International competition - indetificate talented, bright and creative persons, also chance to exchange of good creative practise.

The Organizing committee has the right to use and spread video, (without paying fee to participants) printing and other products, produced during the event and the results of the competition. The Organizing committee has the right to publish any video, was sent by participants , on our official website.

The conductors of choirs and orchestras (15 and more participants in orchestra or choir) can take part in competition`s jury team together with the main jury of the competition. The jury of the competition cannot evaluate their students and pupils (in this case, their choir or orchestra). The conductors are provided with accommodation and meals by organizational committee side during the competition with the participation of their orchestra or choir in the competition (15 or more participants in the orchestra or choir).

The head of the delegation from the organization (public or private) at the expense of the organizing Committee is provided with accommodation and food during the contest with participation in the competition of 15 or more contestants from one organization (educational institution, Philharmonic, etc.), which represents the leader. If it is a choir or orchestra, then accommodation at the expense of the organizing Committee is provided either to the conductor or to the head of the delegation.

List of competition`s Jury members and Chairman will be published on web-site until 15.04.2020 r.

Schedule of competition will be published on web-site until 29.04.2020 y.
